

DEPARTMENT OF COMMERCE

“An investment in knowledge pays the best interest” - Benjamin Franklin.

The Department of Commerce started in 1999 with only one faculty and 30 students. It has grown till date to accommodate more than 350 students with the expert knowledge of faculty. Now the Department offers two Undergraduate Degree Courses in Commerce, namely B.Com., (General) and B.Com. (Computer application) The department emphasizes on practical learning through projects, internships, seminars and workshops at field level by experts drawn from both academia and industry.

Vision

In the era of competition, ABN & PRR COLLEGE OF SCIENCE, Department of Commerce, improve the skills of students. Our prime vision is to produce competent business, professional and entrepreneurs with the necessary managerial skills possessing decision making ability. Our department strives to bestow managerial knowledge to prepare students for becoming global business leaders.
